“Evening with the Generals”

Celebrate the 150th Anniversary of the Civil War with the Sycamore History Museum. This event will be on Friday, August 19 at 7:00 p.m. at St. John’s Lutheran Church. Enjoy listening to Grant and Lee present "Destiny at Appomattox" in wonderful detail. Coffee and dessert will be provided after the program. An entertaining and educational evening for the whole family. Tickets are \$15 a person, and will be available August 2.

What’s Next?

We are working hard on our next exhibit that will explore manufacturing in Sycamore. If you worked at Anaconda, Turner Brass, or any other manufacturing company in town, have artifacts from these businesses, or stories to tell about working, please let us know! We would love to include your items in our exhibit or include your recollections in programs associated with the exhibit.

Board Meetings are held on the third Monday of each month starting at 6:30 p.m. at the Museum. All members are welcome.

What a wonderful summer I am enjoying out at the museum! SHM kicked off June with a summer concert, and we have been going strong with fun programs and events almost every week. I love seeing familiar faces along with meeting new people at Brown Bag lunches, garden storytimes, and at the museum.

We are launching a new event that I hope will continue to attract new people to the museum. Our Family Fun Days will be held on the second Saturday of the month throughout the summer: July 9, August 13 and September 10. Bring out the family and friends to experience guided tours by our newest volunteers, junior docents; a scavenger hunt; old fashion games; crafts and music. Each Saturday will feature different activities.

This year also marks the 150th Anniversary of the Civil War. We will be marking this historic event by hosting "An Evening with the Generals." This will be another great performance featuring Sycamore's Larry Werline as General Grant.

During your next visit, check out our gardens. The garden committee, Master Gardeners, and Girl Scouts are planting, weeding, watering and harvesting food for the Food Pantry. They are a very talented group who have generously put in many hours in our numerous gardens.

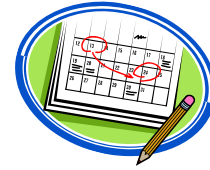

Looking to the future, the fall brings a new exhibit to the museum. Another great group of volunteers are working hard this summer to gather information about manufacturing in Sycamore. We are interested in any artifacts, images, and recollections connected to this part of Sycamore's history. Give me a call if have something you would like to share!

As you check out the calendar of events, please consider inviting a friend to join the museum as a member. It is through the support of our members that we are able to keep the museum's doors open and offer a variety of programs for people of all ages. Invite them to tour the museum next time you have a free afternoon, or encourage them to participate in one of our events. Our members are our biggest cheerleaders. Help us spread the word.

Michelle

Welcome Junior Docents! Thanks to a grant from Youth Engaged in Philanthropy, we are training our first group of junior docents—volunteers in fifth grade through high school!
